Virginia Student Councils Association

The Virginia Student Councils Association has been an organization for elementary, middle level, and high school student councils since 1905 and remains the premier leadership learning organization for student leaders and their advisers from public and private schools throughout the Commonwealth. By participating in the VSCA, students become energized, positive role models who support leadership and student involvement in their schools and communities. VSCA provides leadership learning experiences and opportunities to practice the citizenship skills necessary for effective participation in our democratic society. School member discounts apply to all VSCA programs and offerings.
